Race to run the Town Hall

EAST Devon District Council has confirmed it will raise concerns over the future of the town hall with Seaton Town Council, but insists that plans to transfer ownership of the hall have not been abandoned.

EDDC has offered to transfer ownership of the town hall to Seaton Town Council, which is in the process of arranging a referendum to let the people of the town decide if it should accept the offer.

Seaton's Voice was part of this project, but withdrew about two weeks ago.

It was on Tuesday that Seaton's Voice, at a packed public meeting, said EDDC has opened up a race for town hall ownership.

Seaton's Voice announced it would take full advantage by turning itself into a trust, with a trading arm, and seek ownership of the hall.

Those attending the Seaton's Voice meeting were also told that EDDC had said that the town hall trans-

fer issue would be reopened and that a final decision would be made by EDDC's Cabinet in February.

Pulman's View asked EDDC to clarify the situation, and asked specifically about a new decision being made in February.

EDDC's Cabinet resolved in July last year to offer the hall to Seaton Town Council.

An EDDC spokesperson would not confirm that the issue will go to Cabinet, but said: "We held a meeting

Quotes of the week...

“ We're very pleased that the district council has once again granted us a very generous concession for car parking.

"It's really great news that the concession is also being extended to the end of February, which will also help our businesses."

Colin Wright, the chairman of East Devon Chamber of Commerce, on EDDC's Christmas car parking offer being extended until February

“ I am delighted as a neighbour and for the town. I'm sure the developers did themselves no favours by refusing to carry out public consultation and attempting to run roughshod over the town."

Nigel Machin, who fiercely opposed Blue Cedar's plans to build new homes on Slade Road in Ottery, is pleased following EDDC's rejection of the application

EAST DEVON

Christmas car park scheme welcomed

IN A move set to boost trade over Christmas, all East Devon District Council car parks will now have a £2 a day tariff.

The temporary measure, from December 1st to February 2016, has been set up to not only support local shops over Christmas, but it is hoped will boost trade during the traditionally quieter months of January and February.

The idea was welcomed by East Devon Chamber of Commerce chairman Colin Wright, who said that he was delighted.

Mr Wright, who is also chairman of the Honiton Chamber of Commerce, said: "We're very pleased that the district council has once again granted us a very generous concession for car parking."

"It was a great success last year - for example, I know that the footfall of shoppers in Honiton increased by a considerable amount and extended the shopping time for our visitors and local residents."

SOUTH SOMERSET

Extra funds for adult social care not enough

SOMERSET County Council leader John Osman says that a new charge of up to two per cent on council tax for adult social care does nothing to address fundamental underfunding.

The Chancellor's Comprehensive Spending Review announced that local authorities would be able to raise a new charge to help fund adult social care.

But Councillor Osman said: "A two per cent precept wouldn't even cover the additional costs incurred next year as a result of our ageing population, then you have the costs of inflation and the impact of the National Living Wage."

From the editor's chair Early present for traders

THE news that Trinity House, the department store in Axminster so crucial to the commercial viability of the town, has been acquired by another well respected family company will be welcomed by all who have the town's best interests at heart.

As reported on the front pages of our Axminster and Sidmouth editions, Fields of Sidmouth, the company which owns Trinity House, has been sold to Goulds of Dorchester. Further good news is that all staff in Sidmouth and Axminster are to be retained.

It was back in 2014 that the directors of Fields announced they were starting to market the business as they were all looking to retire. Since then there have been a number of rumours about the Trinity House arm of their business and fears that the premises could have been split into individual units which would have been a disaster for the town.

Since opening in 1979 Trinity House has been very much the focal point of Axminster's main

shopping square, especially at Christmas when their festive lights have been greatly admired.

The quality of goods on sale at Trinity House and their sister shop, T-H Home-In-Style, has also brought thousands of people into Axminster to do their shopping over the years.

The directors of Fields always made it clear they wanted to find a purchaser that shared their ideals of service and recognition of their loyal workforce.

They could not have made a better choice than Goulds of Dorchester who enjoy an excellent reputation far beyond the boundaries of the Dorset county town.

They have been in business since 1902 when the grandparents of two of the current directors opened a drapers shop. Today they employ more than 110 people.

Sidmouth and Axminster could not have wished for a better present this Christmas.

SEATON

Race to run Seaton Town Hall is on

EAST Devon District Council has confirmed it will raise concerns over the future of the town hall with Seaton Town Council, but insists that plans to transfer ownership of the hall have not been abandoned.

EDDC has offered to transfer ownership of the town hall to Seaton Town Council, which is in the process of arranging a referendum to let the people of the town decide if it should accept the offer.

Seaton's Voice was part of this project, but withdrew about two weeks ago.

Last Tuesday, Seaton's Voice, at a packed public meeting, said EDDC has opened up a race for town hall ownership.

Seaton's Voice announced it would take full advantage by turning itself into a trust, with a trading arm, and seek ownership of the hall.

AXMINSTER & SIDMOUTH

New owners for Trinity House and Fields

AXMINSTER'S premier trading store, Trinity House, has new owners.

It was confirmed yesterday (Monday) that the current owners of the department store, Fields of Sidmouth, had sold both their Sidmouth and Axminster shops to another highly respected family firm, Goulds of Dorchester.

It was back in 2014 that the directors of Fields announced that they were starting the process of marketing the business as they had set their sights on retirement.

At the time they said they were "seeking a purchaser sympathetic to the trading ethos of the company, sharing Fields' customer-centred approach who will value its skilled and loyal workforce" but no timescale had been set for the sale.

The Spores and Roberts family have been owners of Fields for 37 years.

There has been a retail outlet on its distinctive Market Place site in Sidmouth for 200 years. Fields originally acquired the Trinity House premises in 1979.

HONITON Councillor faces standards committee

HONITON Town Councillor John Taylor has been hauled before the Standards Hearing Sub Committee over allegations he had failed to follow the council's code of conduct.

The complaint was made by Honiton Town Clerk Chetna Jones after Cllr Taylor allegedly slandered the clerk concerning the funding of the Beehive Community Centre.

The statement, which has appeared in the local media including *Pulman's View from Honiton*, made a number of claims about the legality and propriety of a loan obtained by the town council.

Tim Darsley's investigation found that Cllr Taylor had breached the code of conduct in regards of treating other with courtesy and respect but he hadn't disclosed information given in confidence which is of a confidential nature.

Cllr Taylor and his lawyer Nigel Kinder disputed several claims in the report, technicalities that if the investigator had overlooked may have skewed his final decision.

OTTERY ST MARY 'No' to Slade Road development plans

OTTERY St Mary residents are celebrating a victory over developers after an application for more than 50 new homes was refused by East Devon District Council.

The town council and local residents had vigorously opposed plans for the building work in September and had called for EDDC to throw out the application.

Blue Cedar Homes had planned to build 50 new dwellings on land adjacent to Slade Farm on Slade Road but had met opposition at every turn, including from one member of the Ottery public who called the company the 'developers from hell'.

Chairman of Ottery St Mary Town Council Planning committee, Ian Holmes said: "I wish to thank all those 412 residents that wrote objection letters to EDDC and the 50 or so that attended the planning meeting at the station to fight the application by Blue Cedar Homes to build at Slade Farm."

Sailing club debt free

by Kevin Fahey

JUST five years after the construction of their new clifftop clubhouse, Beer Sailing Club has revealed it has made its final payment for the cost of the building.

That was the positive message from commodore Mike Ransom in his farewell address to the club, as he is stepping down from the post to re-locate to Surrey in the new year.

"It has been a bitter-sweet year for the club," said Mr Ransom.

"Bitter because we lost our president, Robbie Driver, who was a legend in the club and we mourn

his passing.
"Sweet in that we have enjoyed a strong year socially, stayed profitable and made the last payment for the £34,000 in loans to build the new clubhouse, so we are now debt free."

Mr Ransom's departure after almost ten years in the village has left the club without a commodore and a sailing secretary and at the club's annual meeting on Wednesday there were no volunteers to step into either of those positions.

But a proposal to appoint Phil Bason, who is one of the longest serving members in the club, as the new president was unanimously approved by the members.

Mr Ransom expressed special thanks to all the volunteers who worked at the club but admitted there were challenging times ahead, apart from filling the vacancies on the committee.

"One of the biggest problems we face, and it is the same with many clubs, is how we attract youngsters to start sailing," added Mr Ransom.

with representatives of Seaton's Voice on Tuesday November 24th, when they explained to us their concerns over recent decisions of the town council.

"Clearly we need to also speak to the town council and a meeting has been arranged for December 3rd where we can discuss matters further.

"Until we have had that meeting there is not a lot we can say other than note the decision that was made by EDDC at its Cabinet meeting on July 15th."

The minutes from that meeting read: "Resolved that Seaton Town Hall be transferred to Seaton Town Council subject to the terms set out."

District councillor Ian Thomas (Cabinet Member and Portfolio Holder for Economy) contacted *Pulman's View* on Friday, and said: "Officer colleagues and I have worked together for more than two years with our tenants, Seaton Town Council, Seaton's Voice and the museum towards the aim of securing the best possible future for Seaton Town Hall.

"This culminated in a resolution by EDDC Cabinet at our meeting on July 15th to transfer Seaton Town Hall to Seaton Town Council.

"We saw this as the best

route to ensuring its future as a public building to the benefit of the town council, local residents and visitors.

"The resolution envisaged that Seaton's Voice and the museum would become tenants of the town council.

"Extensive discussions had already been held to further that aim.

"It recently became apparent that the relationship between Seaton Town Council and Seaton's Voice has become strained.

"To seek to understand

and resolve current tension, meetings have been sought with both parties.

"We met with Seaton's Voice and a meeting with Seaton Town Council is scheduled.

"I remain hopeful that differences can be resolved to the reasonable satisfaction of both groups, so that the protection of this important community building can be confirmed.

"The matter has not been discussed by EDDC Cabinet since our resolution in July.

"We will make no de-

cision on any possible alternative to the existing resolution until we have met with Seaton Town Council and considered the position fully.

"I hope this helps clarify, but I stress that the EDDC position has not changed.

"We remain committed to securing the best possible future for the town hall."

Seaton Mayor Tony Woodman said the town council would not comment until after the meeting with EDDC.

Unlikely trio back bid for hall

A ROCK star, a business entrepreneur and a television reporter have "put their money where their mouth is" and helped make the Seaton's Voice bid for town hall ownership possible.

The way forward for the organisation and its bid to bring the town hall into community ownership was explained during a public meeting on Wednesday November 25th.

Seaton's Voice will close on March 30th next year and The Gateway Community Trust will be formed.

The trust will have a trading arm named The Gateway Arts Theatre & Entertainment Company.

It was announced that seven people had come forward to head up the project: Alan Nicholas, Barbara Dearden-Potter MBE, Mary Bowles, Paul Hotchkiss, Rachel Webber, Kris Brock and Steve Alaric Lee.

Seaton's Voice Carol Manley, who chaired the public meeting, ex-

plained that the new organisation needs to go to East Devon District Council with a plan that is "secure".

She then introduced three "angel investors": Dave Brock (a rock musician with Hawkwind, which stages local music festival Hawkfest), Steve Alaric Lee (an entrepreneur with businesses in Beer) and television presenter and journalist Matthew Wright (an avid Hawkwind fan and friend of Mr Brock).

The three were greeted by massive applause and Carol said: "They have basically put their money where their mouth is, and are working with us to come up with a package."

Seaton's Voice is a Community Interest Company, which took over the running of the town hall, turning it into a successful community hub, in a partnership with East Devon District Council started in 2011.

Christmas fundraiser makes £1,290

SEATON Hospital League of Friends' Christmas fayre provided welcome shelter from the wet and windy elements, writes ANDERS LARSSON.

League of Friends manager Lycia Moore said: "Despite the heavy rains, the event was well supported and we took £1,290 on the day for Seaton Hospital and Seaton Friends Hospiscare @ Home (formerly known as the Home Nursing Service)."

The fayre took place on Saturday, November 14th, and Lycia said: "I would like to thank everyone who braved the weather and kindly supported our event.

"Gill Crowe, who attended the event, said there was a lovely atmosphere throughout the morning.

"This was aided by the aroma of bacon rolls and live music from John Seward.

"I would also like to say a big 'thank you' to our volunteers for all their effort and commitment; if it wasn't for them, there wouldn't be a fayre."

The remaining stock is now on sale in the League's charity shop in Fore Street.

If anyone has any unwanted Christmas decorations, gifts, hand crafted items, CDs, DVDs or books they would like to donate, they would be very much appreciated by shop volunteers.

Lycia added: "The League relies on the local community generously donating their unwanted goods to the charity so they can continue providing the hospital with equipment and also to fund the Seaton Friends Hospiscare @ Home service.

"This service is provided by Hospiscare, but completely funded by Seaton & District Hospital League of Friends. The League is also looking for more volunteers in the charity shop, in the hospital and befriending in the community."

More information is available from Lycia on 01297 20143 or SeatonLOF@nhs.net

EAST Devon businesses stole the show at the Devon Tourism Awards on Thursday evening.

Colyton's Higher Wiscombe luxury holiday cottages were the big winners on the night taking home two gold awards, for dog friendly accommodation and self catering accommodation, as well as a silver (sustainable tourism) and to top it off were then crowned the overall 'Winner of Winners' as well.

Ottery's Mazzard Farm, who were also nominated for three awards, took home two silvers (self catering and sustainable tourism) and a bronze (international visitor experience) in what was an incredibly successful night for East Devon tourism.

River Cottage HQ came home with the gold award in the artistic, cultural and learning experience category.

Hugh Fearnley-Whittingstall, owner of River Cottage, said: "This is fantastic news and a great tribute to the hard work of our fantastically talented team. 'Artistic, cultural and learning' covers a lot of our core strengths, so we were de-

lighted to come home with this particular award."

Dukes of Sidmouth received a bronze award in the Pub of the Year category, while fellow Sidmouth based operation, Oakdown Caravan Park, picked up a silver award in the camping and caravan park category.

Honiton-based Deer Park Hotel took home a silver in what was a hotly contested venue and businesses category, while the Thelma Hulbert Gallery picked up a bronze award in the small attraction category.

Axminster Tourist Information Centre won silver in the visitor information category. The TIC became a Not for Profit Organisation 18 months ago and is independent and self-financing. It has been working hard to promote the Axe Valley and Axminster as a Gateway town for the Jurassic Coast. New initiatives include an area guide, a website and social media.

The Sea Shanty Beach Cafe in Branscombe was highly commended in the cafe and tearoom category.

Awards organiser Robin Barker addressed

the winners, saying: "You are all very special - in an era of ever dwindling public sector funding you are the industry leaders who can take Devon forward."

"More and more it will be businesspeople like you that must take the lead in putting Devon at the fore, ensuring it is at the forefront of what is one of the fast growing and most competitive industries in the world."

Devon 'ambassadors' celebrate birthday at Exeter cathedral

AXMINSTER Tools & Machinery plays an active part in trying to lure companies to Devon.

The company is part of the Devon Delivers Ambassadors' programme, which has just celebrated its first birthday.

A celebration was held at Exeter Cathedral to mark a successful first year for the programme, which is part of Devon County Council's (DCC) inward investment campaign.

More than 30 businesses have signed up as Ambassadors – including Aero Stanrew, blur Group, Cosmic, Eagle One, Exeter Airport, Exeter Cathedral, Met Office, Simpleware, and the University of Exeter.

Ambassadors are tasked with championing Devon as a location that delivers for business, and encouraging companies to consider relocating to the county. More than 70 representatives gathered on the night, with ambassadors joined by guests from other leading businesses and organisations in the region.

The celebratory event provided an opportunity for local businesses to network and for ambassadors to encourage others to back the programme.

Axminster Tools & Machinery Sales Director Alan Styles was one of those attending, and he said: "We were founded in Axminster over 40 years ago and

by Anders Larsson
anders@tindlenews.co.uk

we're proud that our headquarters remains here.

"We are huge advocates for bringing companies to Devon, which is why we signed up to the Devon Delivers Ambassadors' scheme.

"It brings a variety of Devon's leading businesses together to network, providing us with an opportunity to meet other companies that we might not normally talk to - allowing us to share ideas and solutions.

"The strength of the network was clear for all to see at the anniversary event, and it creates a great sense of community and support.

Councillor Andrew Leadbetter, DCC's Cabinet member for Economy and Growth, said: "The Ambassadors' programme is an exciting initiative to promote Devon as an excellent place to live and work, and it really is building momentum.

"This initiative is helping to foster a closer relationship with some of the most important stakeholders in the county and it's a great example of how local authorities and business can work together.

"We want to encourage more people to establish businesses in Devon to make Devon grow and help our county become a key part of UK Plc.

"The county council is keen to create the climate to promote growth in Devon's economy and the Ambassadors are testament that Devon is a great place to do business."

A DCC spokesperson added: "The Devon Delivers Ambassadors' programme is the only ambassadors' scheme of its kind and scale in the UK, where the business community of mostly locally-established companies and organisations come together to promote the region and encourage economic growth.

"Uniquely, it also showcases Devon's cultural and lifestyle offer by having organisations like Exeter Cathedral, Dartmoor National Park and Devon Wildlife Trust on board, too."

Local businesses that would like to get involved in supporting the programme can find more information at www.investdevon.co.uk/ambassadors or contact geri.panteva@devon.gov.uk.

Forest education

■ RECEPTION children from St Mary's Catholic Primary School in Axminster have enjoyed a taste of the forest.

Tilda Gibbs from Magdalen Farm, Winsham, Somerset, spent a number of afternoons in the school

grounds with the children and their parents, as part of their induction into Reception Year. They learnt about the environment, made hot chocolate and built a home out of branches and leaves for the animals, bugs and insects.

Local dental laboratory wins national award

THE work of George House Dental Laboratory in Axminster was Highly Commended at the The Laboratory Awards 2015.

A joint entry with IW Dental Laboratory (Newton Abbot) in the Best Dental Laboratory was successful and finished in what was effectively the runners-up spot.

Ian and Lucy Woolley own both companies, which is why a joint entry was submitted.

They said about the Axminster company, which was established in 1979: "We are so proud of the team, their hard work and commitment to the business."

The awards ceremony was held in London on Friday, November 13th.

The Laboratory Awards are open for laboratory owners and technicians in the UK and Republic of Ireland.

A spokesperson said: "Judged by an esteemed panel of experts, these awards recognise exceptional achievements within the profession, rewarding teams and individuals. "Winning an award is a huge achievement."

MP asks council to rethink plans for traveller sites

EAST Devon MP Hugo Swire says towns like Axminster and Seaton should take its "fair share" of gypsy and traveller pitches, writes Anders Larsson.

He is asking East Devon District Council to rethink its plans to locate a large gypsy and traveller site in Cranbrook, which is in his constituency.

EDDC, which is obliged to provide 37 new gypsy and traveller pitches in East Devon between now and 2034, is proposing in the latest draft of the local plan to create 30 new pitches in Cranbrook – 81 per cent of EDDC's overall allocation.

Cranbrook Town Council has opposed the plans.

Mr Swire said: "Obviously the easy thing to do is to put the majority of pitches in the same place but that does not mean it is the right thing to do.

"There is more to East Devon than Cranbrook and I believe that other areas such as Axminster and Seaton should all take their fair share.

"This looks to me like a rushed solution as the lack of identified sites is holding up the Local Plan. The majority of my constituents in Cranbrook have no objection in principle to taking on their share of pitches but it is clearly unfair for the town to have to accommodate over 80 per cent of EDDC's entire allocation.

"EDDC needs to re-think and to do so quickly."

End of busy season for hardworking majorettes

MEMBERS of Karizma Majorettes, Axminster, have reached the end of a very busy season with about 25 displays.

There are three dates remaining, which will be covered in the space of two days.

The first one is on home soil on Friday, December 4th, when the girls will entertain during Festive Friday in Axminster, followed by a double-header

the following day starting at the Axminster Town FC Christmas fayre and concluding at Honiton Christmas Carnival.

Looking back on 2015, leader Sarah Causley said: "We were proud to unveil our new Rio-themed uniforms in September at Seaton Carnival; these were the culmination of months of hard work by the committee and cost around £6,000.

"This cost was met entirely through fundraising events.

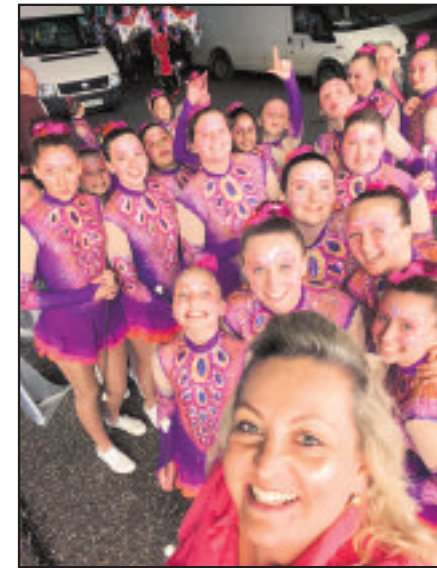

"We have also represented Axminster at a number of other illuminated carnivals throughout Devon and Somerset in the past few months and were very proud to be awarded first place out of eight troupes at Wellington and second place at Chard.

"We are one of the largest voluntarily run youth groups in Axminster with over 40 members and we rely totally on fundraising and donations to pay for equipment, uniform and hall hire costs and would, therefore, like to take this opportunity to express our heartfelt thanks to all those who have supported one of our many events in the past year, without this support we would not be able to survive."

"Judging was completed by Shaun Vining from Complete Meats, Eve Chubb, Graham Anstey and club chairman John Vanderwolfe.

"The competition was won by Des Grant with a magnificent corned beef, carrot, onion and ketchup pie.

"After the competition the members continued with a pool competition to raise more money and the total raised on the day was £275."

Ian Walker of Ian Walker Family Law and Mediation Solicitors started at the centre in 2013. He said: "I started my business from scratch. It would have been difficult to have done this or to grow the business in the way that I have

without East Devon Business Centre."

Julie Hawker from ethical IT company Cosmicio said: "The Business Centre provides an excellent base to work from for us. We have the use of great facilities, including good on-site parking for our clients when they come for training and meetings."

East Devon District Council, who own and run the Centre, is planning to relocate to purpose-built headquarters nearby in the next few years which will further improve the profile for tenants.

Councillor Philip Skinner, East Devon's Portfolio holder for Economy, said: "The building of the new East Devon District Council headquarters will offer great opportunities for tenants to benefit from increased footfall, exposure and trade."

Cancer Research Christmas bazaar make more than £1,300

THE Seaton and Axmouth Branch of Cancer Research UK raised more than £1,300 from its Christmas bazaar on Saturday, November 21st at Seaton Town Hall.

But there was even more to

by Anders Larsson

come, as organiser Paula Vickers explained: "I'm pleased to say that we took a wonderful £1,325.84 at the bazaar itself and one of our wonderful

helpers, Jean Wright, added a cheque to the value of £250 to that amount which she had raised by selling items on her drive at home, as well as at every event held for our charity, something she does constantly

and with great success.

"A lovely total for the day then of £ 1,575.84.

"As always I would like to thank all of our volunteers and helpers, as well as the people of Seaton and the surrounding

areas who always attend our sales throughout the year and spend so generously.

"Thank you too to *Pulman's View* for generously allocating space for both advertising the sales and for enabling me to

thank everyone in this way.

"I should like to take this opportunity of wishing all of those who make our fundraising so successful a very Merry Christmas and a Happy New Year of 2016."

Breakfast club is go

MUCH of the kit for Seaton Hospital's new in-patient breakfast club is in bright yellow.

This is because bright yellow is easier for people with visual impairments to see, and is also said to be easier for people with dementia to work with.

Members of the Seaton Hospital League of Friends have assisted the occupational therapists at the hospital to help set-up the breakfast club.

Occupational therapy aims to give patients every opportunity to maintain their daily living skills whilst in the hospital environment.

The breakfast group will be used as part of a patient agreed treatment programme where they will be encouraged to maximise their skills.

The equipment, provided by the League of Friends, will benefit a

by Anders Larsson

wide range of patients including those with physical limitations, visual impairment and those with dementia.

A hospital spokesperson said: "We want the breakfast group experience to be a positive social one in a less clinical environment. This will be helped greatly by the specially selected bright and cheerful items the League of Friends has provided."

League of Friends manager Lycia Moore explained: "We are delighted to be able to fund the new equipment for the Occupational Therapy Department within the hospital.

"The League is very keen to encourage the new initiative of a breakfast club for in-patients.

"We hope this new equipment will not only help keep patients

independent but will also allow them to enjoy a more relaxed, social occasion.

"The League has only been able to support the hospital with these items due to the very generous support we receive from the local community, for which we are very grateful."

League of Friends trustee and charity shop volunteer Pam Page has had frequent discussions with customers about their concerns for their, and their families' health. She feels that there is a moral duty for the League to become involved with the health, including mental health, of the local community.

If you would like to support Seaton & District Hospital League of Friends, please donate any unwanted goods (clothing, bric-a-brac, CDs, DVDs, jewellery, etc) to the shop.

Support Seaton

■ ANOTHER summer season has come and gone and Seaton has seen a definite upturn in visitors this year, but it is still a long way from the buzzing little town it was when we opened the shop 19 years ago.

Since the loss of the holiday camp, and the arrival of Tesco, we on the high street have really suffered a large downturn in our yearly turnovers; this is in our accounts and not, as some have suggested, in our imaginations. We were like many other businesses trying to sell, but sadly this area has become a bad financial risk, so no interest. Our intention was to give up this November, however as we have had a better season this year we have now extended for another year.

We have new residents arriving and many have left cities and large towns and they want to support local businesses and have taken the time to explore and see what is actually available in town. They have found Kitchen Solutions, where you can purchase all your kitchen appliances, excellent service, usually same day delivery and prices better than on the internet, the same for the recliner company. We have great little shops selling all sorts of unusual things that make ideal gifts, two butchers, a grocers and a pet shop again offering great personal service.

In our Panic Design we have the world-famous Tilly Hat, in fact we are one of the country's top outlets. We also stock a large selection of walking gear for all the family, including the country's top-selling walking boots and shoes, yet our regulars are people from other towns, as far away as Southampton, and more locally Exeter and Sidmouth. These people come to Seaton because of the service, selection and value for money, so it's hard for us traders to understand why our local residents don't even bother looking.

How many times have we heard of coach drivers telling visitors not to bother going into the town cen-

'Don't let Devon go to waste'

■ PLEASE can our local and county councillors take note of the above and act on it themselves.

Today I took some separated waste to Exmouth recycling site, passing the above notice on the way in, but there was no bin for hard plastic! No bin for glass! No bin for fabrics! I spoke to an operative and was told "put it in general landfill": I declined, as the fabric was too good.

I arrived at Tesco's (as directed by another customer) only to find that had a huge pile of fabrics, all getting ruined in the rain!

I then drove, as part of my route, to the Sidmouth depot and once again I was unable to find anything for fabric, and this time the operative tells me the council has no contract until December and hasn't had for some time!

So we, the taxpayer, are told "separate your rubbish 'on pain of death and fine'", only to find it's all been put in to landfill by the council, it seems. Do the councillors responsible for not getting the contracts in place get fined?

tre and even locals stating to friends and visitors no point in looking because there are no decent shops. Come on, folks, we have lost Jimmy Greens and Osbournes – please start recommending and supporting your local businesses and help put Seaton back on the map for the right reasons.

**Words & photos by
Peter Hodges**

THE fifth annual Christmas tree festival, held at Ottery St Mary Parish Church, proved to once again be a big success.

This year, the festival, which is organised by Friends of Ottery St Mary Parish Church, boasted 47 trees – the largest turnout in the events history.

Organiser Carol Bennett of the Friends Council said it had been fantastic to see the church full of Christmas trees yet again.

“With there being 47 trees, everywhere you turned there was a new and interesting effort.

“The friends’ council would like to thank everyone who has helped in running the festival.

“Thanks to Shelia Williams and her refreshments team, Grenville Gilbert and his stewards team, Brian Cammack’s team, Brian Nelson’s team, Sue Jeacock, Wilf Reynolds and Ruth Charter. We are also most grateful to Gilbert Stephens Solicitors for sponsoring the event.”

The Reverend Steve Weston said: “I look forward to the festival every year, as we are able to fill the church with trees from members of the community. The church always looks fantastic filled with excellently decorated trees.”

Ottery St Mary Gardening Club, Ottery and West Hill Rainbows, the Parish Church Flower Arrangers and the Lions club were just four of the 47 trees that were packed into the church.

MEP calls for hospital recruitment rethink

SOUTH West MEP Dr Julia Reid attacked the cost of agency staff which has been blamed for the planned temporary hospital bed closures in Sidmouth, Ottery St Mary, Seaton and Honiton.

UKIP MEP Dr Julia Reid, who worked in the NHS as a biochemist, says the news, including the proposed temporary closure of the Minor Injuries Unit in Sidmouth, is a major blow to health care locally and she has now called for a rethink over recruit-

by Peter Hodges
peter@pemedial.co.uk

ment practices.

Northern Devon Healthcare Trust (NDHT) has announced the temporary cuts in response to the cap on its agency staff expenditure.

Over past six months the cost of agency nursing stood at around £5 million com-

pared to £6 million for the whole of last year.

Dr Julia Reid, said: "It is deeply concerning that we are to witness these temporary bed closures due to the costs of agency staff and the spending cap."

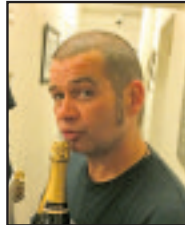

"Clearly, this is a completely unacceptable situation and sadly it will be service users who will feel the impact of these cuts - particularly as a result of the proposed temporary closure of the Minor Injuries Unit in Sidmouth."

"It is clear that the Trust needs to grasp the nettle of this problem and the whole issue of staff recruitment policies needs to be looked at to ensure excellent service delivery and best value."

Hair-raising fundraiser

A FUNDRAISER for Force Cancer Charity raised more than £2,600.

The event was held at Gerrard Arms in Clyton and was organized by Jan Shayler and her team at Cut 'n' Curl in Seaton.

Jan was supported by the charity when going through breast cancer, so wanted to do something to show

her appreciation.

The fundraiser was held on October 17th and included everything from live music to a head shave.

Jan praised everyone who helped out or supported the event in various ways, including band White Spirit from Exeter and Richard Dare for having his hair shaved off for the cause.

Sidmouth flower demonstration

IAN Facey-McCloud made the long journey from Mid-Cornwall to be the demonstrator at Sidmouth Flower Arranging Club in November.

He is an enthusiastic and knowledgeable gardener, and having a garden in Cornwall means that tender plants thrive for him.

He amused with anecdotes about the organisation of flower clubs, a subject he knows well being the chairman of his local society. Tea ladies, seat warmers and in-house competitions; nothing escaped his eagle eye. His five exhibits in-

cluded silver and blue pedestal using sprayed palm leaves, lilies and white Avalanche roses with blue baubles for some festive bling.

This was the last meeting of the year with no meeting in December. The competition was themed "Very Berry Christmas", and the meeting ended with tea and the first mince pie of the season.

theWI Women's Institutes ROUND UP

KILMINGTON

AFTER apologies were received and minutes read, Diane Janes spoke about her mother-in-law, Florrie, who was left with children to bring up after Florrie's father was killed on the first day of the Battle of the Somme. Diane researched Florrie's history and discovered she had five step-siblings she knew little about. Diane searched for the step-siblings - one was still alive and he welcomed Florrie with open arms. Diane was thanked by Joy.

The competition was won by Barbara with Phyllis second. The flower competition was won by Christine with Phyllis second and Joy third.

Arrangements were finalised for the Soup and Sweet Lunch. Members need to be at the Hall at 10am to set up.

Notices from DFWI office in Exeter were read and it was noted that the County Quiz is on Feb 20th.

At the next meeting Mollie Bond will talk about "Things you probably never knew about the Titanic". The competition is "When and where was your favourite boat trip", on Dec 10th at 7pm in the Village Hall. The Christmas Lunch is on Dec 16th at the New Inn. The meeting closed at 9pm.

Nativity first for St Nicholas

THE Church of St Nicholas, Combe Raleigh, will be holding its first ever Nativity Scene Festival.

The displays will vary enormously in size, age, and the materials from which they are made - wood, china, porcelain, resin, textiles and wool to name but a few. It is anticipated that there will be in excess of 40 to be viewed.

Christmas crafts, cards, wreaths and seasonal pot plants will be available for purchase.

An entry charge of £3 will include tea and cake.

The festival will be held on Saturday 5th and Sunday 6th November from 2pm-5.30pm on both days.

Correction: Letter location

FURTHER to Martin Shaw's letter on page 5 in last week's issue (Perverse advice from Seaton's Voice), his location was given as Beer.

This was wrong, and should have been Old Beer Road in Seaton.

We apologise for the mistake.

Fundraising up at Musbury Christmas fayre

ALL tables were sold for Musbury Annual Christmas Craft Fayre, which raised £600 for church funds.

Held in the village hall on Saturday, November 21st, the event was as popular as ever.

Parochial Church Council (PCC) secretary Kay Short said: "We had a great morning and made £600.

"This was more than the last two years so we were pleased.

"A big thank you to all the loyal stall holders and the members of the PCC and friends who helped in so many ways.

"It will be a welcome boost to our funds. We now look forward to our Christmas Tree Festival in church from December 11th-13th, when the whole community is coming together to decorate trees and the theme is Winter Wonderland.

"Do come and support and enjoy a glass of mulled wine and a mince pie while wandering through the Winter Wonderland."

Cheques for £6,000 at Chardstock

by Anders Larsson
anders@tindlenews.co.uk

CHARDSTOCK Street Fayre Presentation Evening was described as "a wonderful social occasion".

Held at The George Inn on Saturday, November 21st, the street fayre team presented cheques totalling £6,000.

Team member Graham Vyse said: "We wish to thank Chris, Shelley, Ann and John West of The George Inn for hosting the event and providing a lovely buffet.

"At this wonderful social occasion, cheques totalling £6,000 were presented to representatives of the chosen good causes

for 2015.

"Sharon Ewart, representing Hospiscare accepted a cheque for £2,000 as did Catherine Davies representing ARC Axminster; these were the main beneficiaries and were chosen in memory of a dear friend, Ray Smith, a former Vice-Chairman of Chardstock Street Fayre, who sadly passed away earlier in the year.

"A further £2,000 has been shared between the following good causes: Cancer Research

UK (the chosen charity of Chardstock Vintage Tractor & Machinery Club), Chardstock Youth Club, Chardstock Community Hall Trust, The George Inn Skittles League, Chardstock Newsletter and the Chardstock Christmas Tree and Children's Presents Fund.

"This has been a particularly memorable year in the life of Chardstock with the duck race, summer of love party and street fayre.

"The street fayre team is most grateful for the support, given so freely, by so many in our community."

■ FATHER AND SON: John and Chris West

New generations at The George

A FAMILY effort is behind the "significant investment" in The George Inn, Chardstock.

New landlord Chris West is ably assisted by his partner Shelley and his parents John and Ann.

Chris, who has been in situ for about six weeks, said: "We have moved from Weymouth where we lost our last pub to redevelopment, and have bought the lease on this pub to revitalise it and bring it back to the community.

"There has been a significant amount of investment, including a brand new kitchen."

They traded on the bar from the start, and the kitchen opened on Thursday, November 19th.

Chris, who took the Weymouth pub from TripAdvisor's 274th out of of

320 places to eat in Weymouth to the mid 20s, is full of optimism and can draw on the hospitality experience of his dad John, who used to run a hotel in South Africa.

Looking back on a hectic period since arriving, Chris said: "It has been challenging and not without its difficulties, but as a family we have worked through them all."

They wanted to stay in Dorset but decided to have a look at the Chardstock pub, and Chris explained: "We fell in love with it straight away, and it is an ideal place for our young daughter to grow up.

"The locals have been very accommodating to us, and we have not encountered that amount of generosity given to us before."

■ CHRISTMAS CAME EARLY: Dougie Bale (Chardstock Vintage Tractor and Machinery Club), Michelle Reeve (Chardstock Street Fayre Team), Sue Alexander (Chardstock Christmas Tree and Children's Presents), Sharon Ewart (Hospiscare), John Williamson (Chardstock Community Hall Trust), Jonathan Milford (Chardstock Newsletter), Catherine Davies (ARC Axminster) and Mike Everton (The George Inn Skittles League)

Whitney Farm

Free range Christmas geese from only £34

A TASTY Whitney Farm Christmas Goose can be delivered or collected on 23rd December, in time for the special day. All geese are prepared and ready to be placed in the oven.

Buy a free range Christmas goose & support young Somerset farmers

FOR generations the Dunning family have been rearing geese in Somerset, so for 32-year-old Dan Dunning it's all he's ever known. Now striving to make a farming success Dan and Sarah are running their own farm business near Ilminster whilst building a family home for their 2 daughters.

After leaving his well-known family business at Goose Slade Farm in East Coker and studying for an HND in Agricultural Management at Cannington College, Dan took his expertise and put together an ambitious business plan for the future of Whitney Farm. In 2007 Dan and Sarah applied with approximately 60 other ambitious young farmers and were successful in being offered the tenancy by the council. Dan said "I was really pleased to be offered the opportunity to run my own farm in Somerset. It is a really difficult business to get into at my age."

At Whitney Farm, Dan and Sarah have set up a business rearing geese as well as native breeds of cattle. In their first year Dan and Sarah managed to sell their total flock of 1000 geese and are also selling special beef boxes to satisfy local demand. "My grandfather was a goose farmer, and also my dad and brother and now I'm carrying on the tradition."

This year the aspiring couple want to do better than ever and bring in a new customer base who respect the traditional methods of rearing required to produce such a tasty, healthy range of meat and poultry. Dan said: "I've been rearing geese my whole life so now I'm really pleased I'm able to rear my own. The geese from Whitney Farm are fed with locally grown corn and reared using traditional methods, everything here is free range and we can offer complete traceability."

Despite the rising cost of running a farm and the fact that goose feed has nearly doubled in price the Dunnings have held their goose prices to help those struggling in the current financial climate. By buying straight from Whitney Farm, customers are guaranteed quality and taste and can be sure that the animals have been reared with high welfare standards. Dan said "We like all our animals to have a really good and happy life here at Whitney Farm."

Festive Friday

With that all too familiar chill in the air, everyone is aware that Christmas is coming. But that frost will not deter the people of Axminster as they warm their hearts with festive cheer, on the merriest day of the year – Festive Friday on 4th December!

When the crowds have formed with anticipation, their craving for Christmas merriment will be fulfilled with the switch on of the Christmas Lights and the Minster Christmas Tree on Minster Green at 5.30pm. Joyful celebrations will then ensue with many seasonal attractions to entertain the gathered sightseers.

There will be the traditional Punch and Judy show to keep all the children amused and music provided by a Big Band and Carol Singers to brighten up the evening with merry melodies.

Should you find yourself in need of a warming meal, then you won't have to venture too far as there'll be a lovely winter BBQ available in the centre of town. But if a BBQ is not for you then don't miss out on the mince pies! To add to the seasonal energy, the majorettes will be putting on a lively show for all to enjoy. If that wasn't enough, there'll also be many shopping opportunities with local schools manning some stalls!

But of course, the highlight of the evening is always the arrival of Father Christmas! Santa will be arriving on his sleigh and giving out some early Christmas presents to all the children. So why not pop down to Axminster on Festive Friday to get into the Christmas Spirit!

▲ Santa is welcomed to Axminster, 2014.

Wells Carpet Brokers

SINCE 1983, Wells Carpet Brokers have helped customers in the South West save money. We have one of the largest selections of carpets & vinyls in the area and have the all the latest trends too.

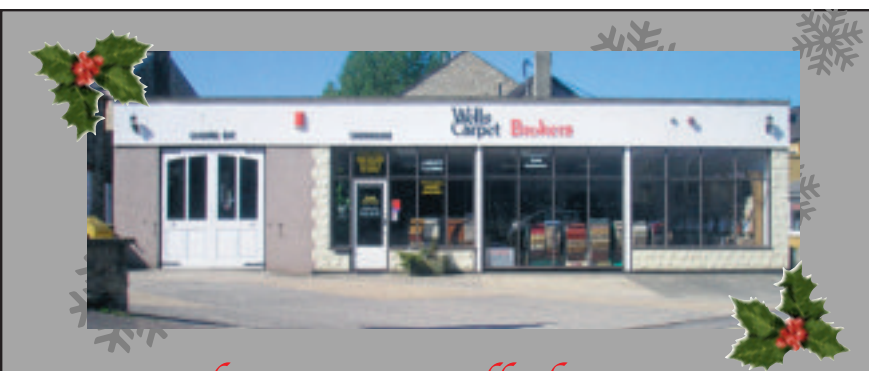

We are able to compete with the large national stores as our overheads are low and we do not inflate our prices to take a discount off. Our prices are genuinely low all year round. So there's no need to wait for the sales either! In most comparisons we do with other stores, on identical products, we will be cheaper.

We deal with all the leading carpet manufacturers including Brintons, Ulster & Cormar using 100% or 80% wool, 20% Nylon but we also have budget man-made ranges including bleach cleanable carpets! We also supply Crucial Trading's Sisal, Coir & Seagrass ranges. These can also be made into any size rug that you can customise with your own choice of borders. So why not come along & design your own rug?

Karndean has become very popular since we started selling it in 1990. Again it is a product in which you can use your own artistic flair & design to create your own unique floor using the available

design pieces or just simply lay the wood planks or tiles as they are.

So don't be put off by our smart appearance! We have prices to suit everyone.

Merry Christmas to all of our customers

Bovis Homes

Fancy a brand new home for Christmas? The latest stunning Bovis Homes properties at Cloakham Lawns, Axminster are proving a big hit with buyers – and there's still time to get in before Santa comes calling!

WITH most of the first phase now sold out and occupied, this lovely location is really taking shape, and will be making great strides in 2016.

"The mix of two to five bedroom homes is attracting a wide range of buyers," said Sales Advisor Sarah Tricker. "However, we do still have a handful of homes which will be ready for a December completion and will allow savvy purchasers to make the most of 2015 prices.

"We have lots of happy customers who purchased on our first phase and it's exciting to see Cloakham Lawns take shape. The fusion of the more traditional brick and stone-built homes with more contemporary render and cladded homes is really eye-catching, but what our customers are most impressed by is our high specification – fitted kitchen appliances, porcelain ceramic flooring to bathrooms and our stylish wall-hung sanitary-ware are just a few of the items fitted as standard when purchasing a Bovis Home here.

"If you are worried that you won't be able to sell your old house, with our popular Home Exchange scheme we could be your buyer, and ensure you are settled in your new home for Christmas. We offer 100% of the local market value and can even organise reliable removals to pack you up, move you in and organise your new home."

For more information call Sarah at Cloakham Lawns on 01297 795164 or visit our sales office, open daily from 10am to 5pm.

Axminster Garden Machinery

AXMINSTER Garden Machinery is the wholesale factory appointed dealer for the increasingly popular Walker Mowers in the South West.

Phil Roper, who has worked in the horticultural industry as a garden machinery expert for over 32 years, formed Axminster Garden Machinery in 1999. As a sales engineer and manager this background gives Phil the chance to offer all of his customers expert knowledge when either choosing either new or used equipment, and he can also give customers honest advice or recommendation.

Phil advises that the Walker Mower is up to 25% more productive than other zero turn mowers. The range offers compact machines that can get in and out of places others can't. They are easy to manoeuvre with precision steering. Due to the low centre of gravity and balanced weight distribution the Walker has excellent stability.

The operator also has a full view of the mower deck and the grass in front of and beside it.

Phil personally and carefully selects every piece of new machinery and equipment Axminster Gardens Machinery sell, and has used and tested all the machinery they offer. With a large showroom and parts department as well as a fully equipped workshop, it is possible to actually view and handle virtually every type of machinery they supply.

Axminster Garden Machinery are an independent horticultural and ground care equipment Specialist, and pride themselves on the fact that they are factory main appointed dealers, for this gives the customer peace of mind when it comes to spares or repairs or servicing. When repairing machinery, Axminster Garden Machinery firmly believes in quality engineering and design. They can provide the full backup.

Their aim is to know that the customer's needs and concerns have been met to give them quality, user-friendly equipment at the right price.

Axminster Garden Machinery are small enough to care and big enough to cope.

Axminster Food Bank

The Food Bank at Christmas

AXMINSTER Food Bank, Canned Sunshine, is in full swing preparing for Christmas. We are currently collecting festive foods including items such as mince pies, Christmas puddings and chocolates. We are also collecting crackers, cards and wrapping paper.

Our local Tesco recently ran an event for Axminster Food Bank. The public responded generously by donating money which Tesco converted into children's toys which we will distribute to our clients.

For households who are experiencing hardship, Christmas can be an extremely stressful time of year.

Although it may feel good to be invited to share Christmas with other families, for many it just doesn't feel the same as being able to enjoy Christmas in their own homes.

We are happy to say that, where possible, due to food bank support this Christmas people will be able to heat their own homes and enjoy the festivities.

Once the New Year comes, families may face new struggles and the New Year is often our busiest time therefore we value the town's continued support now, through the Christmas period and into 2016.

If you make a New Year's resolution related to food, health and wellbeing, please consider donating food or money to Axminster Food Bank.

All year round, we are pleased to receive food donations (in date) as well as money. Donation in the form of money is key as it gives us to the ability to buy essential stock and maintain vital provision.

If you are facing hardship this year, we do advise that you contact us during the week beginning 14th December 2015 so we can help you with food for Christmas.

Merry Christmas from everyone at the Centre and we look forward to seeing you all in the New Year.

The clubhouse offers a large area with bar, the kitchen is also available if required. In addition the club can provide food for any occasion should this be required.

We are looking to develop a strong community club for the benefit of everyone in Axminster and the surrounding areas.

Your support will help us to achieve our goal.

WHAT'S HAPPENING AT ILMINSTER ARTS CENTRE THIS DECEMBER

The Art of Giving

THE festive season at Ilminster Arts Centre gets underway with our annual Christmas Exhibition. Featuring the work of local artisans, the show provides a fresh look at gift-buying options - a treasure trove of special presents that you won't find in the usual high street stores. Visitors are invited to come along and enjoy a leisurely shopping experience, browsing and buying from the colourful collection of hand-crafted ceramics, textiles, wooden arte-

with Abigail Willis

facts, gorgeous glassware and more. Every purchase helps to support the Arts Centre and there is the added attraction of the café, which will be serving homemade mince pies as well its famous cheese scones!

Music, wrapped up in Strings

On Friday, December 4th, Concerts in the West present the Consone Quartet, an exciting new string quar-

tet who will be performing a programme of Schubert and Beethoven, concluding with Mozart's final string quartet, his Quartet in F major K590.

On Friday 11th the Arts Centre will resound to the joyful music of Louis Armstrong and his All Stars - interpreted by the Bateman Brothers Jazz Band. Led by brothers Alan and Ian, this talented group sound so like Louis and his band that even music critics have struggled to tell them apart. Advanced booked is recommended.

Following hot on their heels, the latest in our popular series of Maiastra concerts takes place on Saturday 12th. Led by virtuoso violinist Arisa Fujita, the young musicians (who are all top-class students from London conservatoires) will be playing a ravishing programme of string quartets by Brahms, Strauss and Tchaikovsky. Tickets £15.

Creativity at Christmas

'Toy Stories' is the theme of Art Chest!, our art workshop for over 8s, on Saturday, December 5th. Bring along your favourite toys and use them to inspire a narrative art work in mixed media.

The Readers' Group discuss their latest book on Friday 11th, followed by Tony Hayward's Guitar Workshop for second-stage beginners on Saturday 12th.

Led by award-winning quilter k3n, Festive Bags on Tuesday 15th will teach you everything you need to know to machine sew a quilted hand or tote bag.

Our friendly knitting and crochet group meets on Thursday 17th, while on Friday 18th Felting with Geraldine Field is an opportunity to learn how to make something wonderful in wool - perhaps a colourful scarf or hat (perfect for a Christmas gift!).

The Arts Centre closes for Christmas at 12noon on Christmas Eve, reopening on Monday, January 4th. We look forward to welcoming you back in 2016, but in the meantime, we thank you, our volunteers and visitors, for your support over the past year and wish you all a very Happy Christmas.

VIEW FROM the beehive

THERE'S been an intensive period of rehearsal for both Honiton Players production of 'When Holmes met Watson' and Honiton Community Theatre's 'Over the Sledge' variety show, which opens next weekend, December 4th and 5th, great to have two very different local productions here.

Things are really revving up for Christmas, with bookings for parties, and our annual supper bash with Big band, Area 52 guaranteed to get you on the dance floor after a delicious home made supper and glass of fizz on Friday, December 18th. So frock up and rock up, only two tables left!

Really looking forward Friday, December 11th a Rock'n'Roll evening with Marc Robinson as 'Buddy Holly, and the Counterfeit Crickets' (4 piece) plus two other soloists appearing as Billy Fury and Elvis! We'll ensure there's room for dancing too.

'Defrosted' voted the best family show from this year's Edinburgh Fringe is coming for two shows, 11am and 2.30pm on Monday, December 21st, Cat(CBBC)and Nicko are brilliant and this will really appeal to mums and dads, granny and grandpas too.(particularly if you're sick of Frozen!)

We are delighted to have a very special visitor to the Beehive in between the shows of Defrosted, Santa is coming with his Elf in order to find out what the children would like for Xmas. We appreciate that this is getting dangerously close to the big day but he has a ridiculously busy schedule so we are extremely

lucky to have him here.

Something for adults as a Christmas treat is 'Mad Dog Mcree', we are very excited to have them here on Tuesday, December 22nd as one reviewer accurately said 'this is rowdy, heartfelt, room-shaking and spirit-stirring music that only the dead can't enjoy'

Book these guys quickly though, as tickets are whizzing out of the box office.

In amongst all of these events are showings of 'Spectre' 7.30pm on Saturday, December 12th and two showings of 'The Lady in the Van' on Saturday, December 19th at 3pm and 7.30pm in the Beehive Cinema. The Beehive Tea dance is also on Friday, December 11th and the Folk café on Wednesday, December 9th. A big welcome must go to Ian Browne as our newly appointed Customer services and operations manager, his great sense of humour; enthusiasm and commitment to his new role are already very much in evidence!

Lastly we are very pleased to announce that we are screening the Kenneth Branagh Live theatre season which begins with an encore showing of Shakespeare's The Winter's Tale on Friday, January 8th at 7pm. Judi Dench plays Paulina and Kenneth Branagh plays Leontes in this timeless tragicomedy of obsession and redemption. See you there!

Songs and instrumentals from the prohibition era

ENJOY A NIGHT OF 20s and 30s music with "Spats" Langham (Guitar, Banjo, Ukulele, Vocals) and Mike Denham (Piano) at Henhayes Centre, Crewkerne next Friday (December 11th). A whistle-stop tour, calling at Chicago (for Al Capone's nightspots) - New Orleans (Storyville) - New York (the speakeasies) - Paris (le Hot Club) - and stations en route. Fantastic musicianship and an engaging presentation from Mike and Spats, celebrating great music by Fats Waller, Django Reinhardt, Bing Crosby and the like.

Tom and Mike have duetted together on many occasions, each one generating a great audience reaction.

Lots of stories and illuminating comment about the songs and tunes they sing and play. Don't miss this opportunity to see and hear these genuinely individual and entertaining characters at the Henhayes Centre in Crewkerne.

Tom "Spats" Langham started playing ukulele and banjo as a young boy, taught by his grandfather, until, at the age of fourteen he also took up guitar and began appearing with local bands in his hometown, Buxton, Derbyshire.

Twenty-five years ago he became a professional, joining The Charleston Chasers, before moving on to play with a veritable "who's who" of British bands including Chris Barber, Acker Bilk, Monty Sunshine, The Temperance Seven, Bob Kerr and The Pasadena Roof Orchestra. He now travels the World, working with overseas "greats" such as Marty Grosz, Bob Wilbur, Kenny Davern, Howard Alden, Bucky Pizzarelli, and many more.

David Hall

FOLK • ROOTS • ACOUSTIC • JAZZ
BLUES • DANCE • THEATRE • FILM

MUSICALLY, November proved to be a very exciting and diverse month for our special space at The David Hall.

On Friday 6th we welcomed for the first time the very talented FB Pocket Orchestra. The audience was totally charmed by this trio's repertoire of music from the period 1900 to 1930, which comprised of a range of jazz, classical, country and blues. Loved by everyone, this great 'orchestra' will be back with us early in 2017. Not to be missed!

On Friday 13th we welcomed back, for the third time, the really popular Gigsrunner, who are fronted by Peter Knight of Steeleye Span fame. Their fabulous performance featured a mixture of 'old' tracks together with much from their new album, Layers of Ages, which features their own take on traditional material. This was a 'world tour' of musical influences which impressed everyone. Another group that will definitely be back with us soon.

On Saturday 21st we welcomed another artist for the third time when a full house gave a standing ovation to the brilliant Martyn Joseph. Once again, Martyn was promoting a new self-penned album which showed his writing and performance skills to the full. Martyn fully deserves the title of 'The Welsh Springsteen' and is without doubt one of the most charismatic performers in Britain to-day.

All lovers of the wonderful band Lindisfarne were 'in heaven' on Saturday 28th when former members Billy Mitchell and Ray Laidlaw brought us their very popular show - The Lindisfarne Story. This fantastic concert mixed nostalgia and brilliant renditions of all their hits, and very much more, as the band's history was presented by word, pictures, archive video and music. This was a truly memorable night that I would love to repeat and which brought November to an exciting conclusion.

December is always a busy and exciting period for us all at The David Hall and on Thursday 3rd we look forward to welcoming the British Blues artiste, Martin Harley, for the first time. Martin has travelled the globe, absorbing a range of diverse influences and honing his craft into the classic song-writing style he possesses today. A great night with quite a few surprises is guaranteed!

On Friday 11th and Saturday 12th we again welcome the wonderful St. Agnes Fountain, with their totally unique take on Christmas music. Both nights have been sold out for many months so I will keep my comments to saying that they are already booked to perform again at The David Hall on Friday 9th and Saturday 10th December next year. You are strongly advised to book early!

On Saturday 19th we welcome again the 'super group', The Dylan Project, who are fronted by the charismatic Steve Gibbons. This is not a tribute band but a group of fantastic musicians playing, in their own distinctive way, the work of arguably the greatest post-war songwriter in the English language. A truly great night is guaranteed!

On Thursday, December 31st The David Hall will see out 2015 with a New Year's Eve Ceilidh. The music will be provided by Jigs for Gigs, with caller Simon Maplesden. Tickets at £15 per person, including a buffet, must be booked by Tuesday, December 29th.

May I take this opportunity to wish you all a Merry Christmas and Happy New Year - and I hope to see you at one of our gigs in 2016.

All the very best, Pete Wheeler, Petherton Arts Trust

Further events at The David Hall in December

Good Vibrations at Winstons this Christmas

SINCE its inception, the reputation of The Beach Boys Band has continued to grow, they are now one of the most sought after 1960s tribute acts around.

Based in the south west of the UK the band have a 2016 tour being planned taking in Bristol, Bath, Bournemouth, Plymouth, Birmingham and other cities throughout the UK, with a European leg starting in August with a huge tribute festival in the Netherlands. The tour has to fit around all the private party bookings they already have booked.

Part of the attraction of The Beach Boys Band show is that it appeals to all ages, the many and varied evergreen Beach Boys' hits together with the mass exposure they have received over the years

The Beach Boys Band

have become part of the very fabric of everyday life.

The show's unique content is such that it is melodic enough for a sit down audience yet at the same time, has the energy and drive to inspire people wishing to dance the night away!

To create a truly believable and memorable tribute act, both vocal and instrumental sounds must be replicated to the finest detail. It is this attention to detail, that have made The Beach Boys Band the popular attraction they are today. From the early songs of surf and sports cars to the more sophisticated sounds of recording projects like *Pet Sounds*, the Beach Boys' music was the soundtrack to a whole generation of young people, not just in the United States but worldwide.

Delivering the songs that everyone knows and loves, from the finesse and sheer beauty of 'God Only Knows' to the pulsating masterpiece 'Good Vibrations', The Beach Boys Band deliver a live performance that reflects both their enthusiasm for their work and mastery of a genre of music that is generally accepted as being both complicated and difficult to perform live.

The Beach Boys Band play at Winstons, Seaton on Saturday, December 19th, from

The Churchfitters come to Luppitt

CHRIS, Rosie and Boris - The Churchfitters - are all multi instrumentalists who play a wide mix of folk based roots music laced with a generous helping of humour to great effect. They each bring their individual influences from Jazz, bluegrass, blues and folk to bear with consummate skill.

They will be playing material drawn from their nine albums interspersed with some Christmas favourites as part of their popular 'Christmas Cracker' show.

"I knew as soon as I saw Boris's Instruments that the Churchfitters were going to be interesting. However, on watching their set I can honestly say that they are the most musically inventive band that I have seen in decades. They received a standing ovation from the festival. Go and see them and you will understand why... a must" - Dave Pegg, Fairport Convention

"They ripped the slates and roofbeams off the Settle Victoria Hall in a stunning

show which combined superb musicianship with humour, great songwriting and some brilliant versions of traditional music and song. They really brought the festival to a brilliant close and got a standing ovation from the crowds" - Mike Harding.

The Churchfitters play at Luppitt Village Hall on Saturday, December 12th at 8pm. For more details see the advert below.

5 TIPS FOR A SAFER HOME...

1. HAVING a property rewired is expensive

By Julia Gray, Press Association

and disruptive, so we often put up with the wiring we've inherited when we move and forget about getting it sorted. Unless the sockets, light switches and flexes are obviously old, it can be hard to tell the age of the wiring. A good place to start is the fuse box. If it has rewirable fuses, for example, it should probably be replaced because modern fuse boxes don't use fuse wire. Other signs of old wiring include sockets with burn marks, sockets mounted on skirting boards, and surface-mounted cables.

2. THE only way to be sure if the wiring's safe is to get a qualified electrician to test it. If your home does need rewiring, it's easiest to use an electrician registered with one of the Government's competent-person schemes, such as NICEIC (www.niceic.com), as they can self-certify that their work complies with building regulations. If they don't belong to such a scheme, you can get their work checked and signed off by a building control inspector (either from your local council or a private firm). The key thing is to get a completion cer-

tificate from a recognised body to prove that the electrical work is safe and legal, something often needed when you sell or rent out your home.

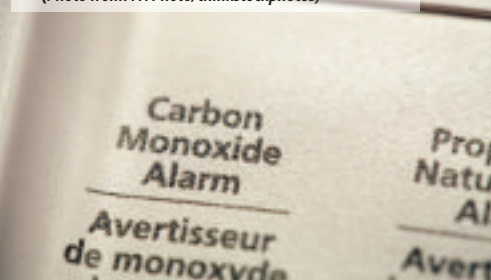

3. GAS appliances are another potential danger. By law, they must be installed by a Gas Safe Register engineer (www.gassaferegister.co.uk). They should also be serviced by one annually to ensure they're safe and working efficiently. Carbon monoxide poisoning from gas appliances can, of course, be fatal and is hard to detect. That's why it's safest to have a carbon monoxide alarm in each room where there's a gas appliance. But fitting one isn't enough - you must press the test button on it regularly to make sure it's working, and change the batteries when required, although some alarms have built-in batteries that can't be replaced.

4. SMOKE alarms should also be tested regularly, but there's nothing more annoying than one that goes off every time you burn a piece

of toast. Taking out the battery is a potentially dangerous habit to get in to, so go for an alarm with a silencer button. Some alarms are 'toast proof', meaning they're less likely to be set off when you cook. If you have wired-in alarms (see below), your electrician should fit a heat detector, rather than a smoke alarm, in the kitchen.

5. ALL new homes must be fitted with interlinking wired-in smoke alarms and this can also apply when you do major building work, such as rewiring, or converting the loft. If you don't want to replace your home's existing doors with fire doors when doing a conversion, getting an electrician to install smoke alarms throughout should ensure compliance with building regs. If wired-in alarms aren't required, fitting smoke alarms that wirelessly interlink is a great alternative. Interlinking means that if there's a fire, all the alarms will go off at the same time, so even if you're sleeping a long way from the fire, you'll be alerted instantly.

SPOTLIGHT

SPOTLIGHT ON MY SERVICE

Lindy Parry

Podiatrist / Chiropodist

I **HOLD** my private chiropody clinic at
Townsend House Surgery in Seaton on
Tuesdays, Wednesdays and Thursdays.

I offer a range of treatments from a
simple nail cut to nail surgery, and each
treatment plan is priced accordingly.

The nail cutting only service is a shorter
appointment and is ideal for those that
don't have any other foot care needs.
Others like to alternate nail cuts with
chiropody treatments as it best suits
their requirements. I always aim to work
with the patient to find the best
treatment plan to suit each individual.
Patients feet are then monitored during
treatment so that changes can be made
should the need arise.

Diabetic patients who attend for
chiropody will also have a diabetic foot
assessment carried out during their first
treatment, and will then be monitored
and re-assessed as necessary.

My chiropody clinics are available to
anybody seeking help with their feet and
Townsend House and I look forward to
welcoming you.

Renault announces iconic Special Edition line-up

RENAULT is launching a trio of high-specification special editions across its small car model line-up. Available on Twingo, Clio and Captur the 'Iconic' special editions all come with interior and exterior differences and a host of specification upgrades that are unique to each model. These special editions are available to order from December 1st with first deliveries expected during December.

The Renault Iconic Special Editions are available across different engine options – including the just-announced Efficient Dual Clutch (EDC) automatic transmission for Twingo TCE90.

Twingo Iconic

Twingo Iconic is based on the Dynamique version of Renault's award-winning innovative city car and includes cruise control, speed limiter, DAB radio, Bluetooth, R&GO smartphone-based navigation, electric front windows and electric heated mirrors and front fog lights. Ultraviolet Iconic side decals and 16-inch Ultraviolet Emblem alloy

wheels complement the range of four colours available – including two new and unique metallic paints: Ultraviolet and Lunar Grey. Black alloy wheels are available as a no cost option. Extra tinted rear windows and gloss black door mirrors complete the exterior enhancements.

On the interior there is black part-leather upholstery with white and ultraviolet piping, 'Renault' door sill plates, floor mats with an ultraviolet Twingo motif and a matt ultraviolet touch pack that applies colourful hints around the cabin. The latter can be substituted with gloss black as a no cost option. Twingo Iconic gains the comfort and convenience of climate control as well as automatic lights and wipers.

Twingo Iconic Special Edition is available to order with Twingo's two engine choices – the SCE 70 and the TCE90, the turbocharged TCE90 being available with both manual and the all-new EDC dual-clutch automatic transmissions. The Twingo's engine range offers CO2 emissions as low as 95g/km and returns up to 67.3mpg on the official combined cycle (NEDC).

Clio Iconic 25 Nav

Celebrating its quarter century in the UK in 2016, the Clio Iconic 25 Nav supermini is available with TCE90 Stop & Start, dCi90 Stop & Start and dCi90 EDC engines. Based on the top-of-the-range Dynamique S specification, the special edition receives 17-inch 'Desire' alloy wheels with black inserts, chrome window sills, extra-tinted rear windows and tailgate, and distinctive cross-hatch-style wing mirror decals as standard.

The decals complement the range of four stylish exterior colours on offer – Ivory, Diamond Black, Oyster Grey and Mercury. To add to the uniqueness of this special edition, customers can choose to complement the exterior colour with the optional black and white cross-hatch-style roof decal, to match those on the wing mirrors.

To the inside, drivers will enjoy GT part leather upholstery with front heated seats. Suiting the calm ambience of the cabin, Clio Iconic 25 Nav also receives a leather armrest and leather handbrake, matched with an aluminium gear lever. The unique black and white cross-hatch design seen on the exterior can also be found inside, with touches to the air vent surrounds and door armrest.

The Iconic 25 Nav builds on the top-of-the-range Dynamique S Nav trim which features automatic climate control with one touch quick demist function, rear electric windows and electrically adjustable, folding and heated door mirrors. The Clio's engine

range offers emissions as low as 82g/km CO2 and returns up to 88.3mpg on the combined NEDC cycle.

Captur Iconic Nav

The Captur Iconic Nav Special Edition is available for the same price as the Captur Signature Nav – from £18,395. Like the Signature Nav, the Captur Iconic Nav sits on the trim level above Dynamique S Nav. The model receives two-tone exterior colour as standard, with the customer able to choose from six different body colour options – Diamond Black, Ivory, Cappuccino Brown, Oyster Grey, Stone or Mercury – with either a Black, Ivory or Cappuccino roof. 17-inch 'Explore' alloys with Cappuccino inserts are standard on the special edition, complementing the exterior colour choices.

The interior of the Captur Iconic Nav receives Cappuccino part-leather upholstery with front heated seats as well as a bronze-tinted chrome interior pack on touch points around the cabin, bringing the stylish colours of the exterior, inside. The Captur

Iconic Nav also offers a number of driver aids and sophisticated options as standard such as Renault's Techno Pack which includes R-Link Evolution, rear parking camera and European Mapping, as well as an electrochromic rear-view mirror.

The Captur Iconic Nav Special Edition is based on the Dynamique S Nav specification, receiving rear parking sensors, heated and electrically adjustable door mirrors and extra tinted rear windows. The Captur's range of four engines offer emissions as low as 95g/km and returns up to 78.5mpg on the combined NEDC cycle.

As with all new Renault models, the Iconic Special Editions are covered by Renault 4+ – a four-year warranty that offers unlimited-mileage cover in the first two years and then two further years of protection up to 100,000 miles. Renault 4+ also includes four years of Renault Assistance, comprising of 24 hours a day, 365 days a year assistance on the roadside and from home, national recovery and onward travel. European cover is also included for the first three years.

Renault also offers a suite of service plans available over three or four years. The Renault Service Plan covers the manufacturer's service and maintenance programme requirements including parts, labour and VAT for the period chosen. For Twingo, Clio and Captur, the 3 year/30,000 mile Service Plan is available at the recommended retail price of £399 and the 4 year/40,000 mile Service Plan available at £599.

Time Flies at Rose Motors

THIS week sees the 1st anniversary of Rose Motors opening their doors at Uplyme Road Industrial Estate in Lyme Regis.

It's been quite a year, too. The owner, Philip Meyer, brings his considerable experience representing quality brands like Jaguar, Toyota and Honda to the used car market.

Philip's commitment to quality and customer service have paid off as Rose Motors have just been accredited as an RAC Approved dealer. The RAC is a recognised mark of quality in the motoring world and they only select dealers that they feel represent their brand values.

As well as this, Rose Motors have just become licensed credit brokers, so now you can purchase your next car at Rose Motors with a competitive finance package.

To celebrate all this, Rose Motors invite you to join them in celebrating their anniversary by joining them this Saturday, December 5th for a mince pie and a hot drink from 9:30am - 2pm.

Local Sport – football round-up

by Howard Larcombe

Hurford double lifts Ax up to fourth

Vikings revitalised by new recruits – Hawks through to Cup Final

SW Peninsula League D1 (E)

AXMINSTER TOWN 3 BOVEY TRACEY 0
AXMINSTER, chasing their first double of the season, started well and Tony Pinder had the first chance but his shot was saved well at the near post by the Moorlanders' keeper.

Five minutes later Liam Cleal burst through on goal but deflected his shot and the ball was deflected to Jonny Hurford but he blazed his shot high and wide.

Cleal missed a golden opportunity for the Tigers to take the lead when he got on the end of a Hurford cross but missed from close range.

Axminster were beginning to gain a tight hold on the game reaching the Moorlanders to rare foray's into the Tigers' half and the occasional speculative long range shot.

Luke Finn was unlucky not to open his account for the club when his fine header rebounded off the crossbar in the 24th minute. But the Tigers weren't to be denied and deservedly took the lead when a neat flick by Pinder found Finn who crossed for Ben Turner head home.

Straight from the restart Bovey had a good shout for a penalty when a shot clearly hit Mark Smale's arm but the referee was unimpressed and waved the play on.

Pinder and Finn's pace was causing Bovey huge problems and when Finn was brought down in the box, but the referee, after a long discussion with the linesman, decided not to award the spot kick to the disgust of the home faithful.

The second half was just a minute old when Axminster were awarded a penalty after Finn was upended. Hurford slotted home confidently.

For the remainder of the match the Tigers defence, with Chris Duchenski marshalling well, ensured and keeper Scott Wells-Burr was virtually redundant. Axminster did get a deserved third goal in the 89th minute when substitute Nathan Warren cut the ball back for the on-rush-ing Hurford to tap in.

SIDMOUTH TOWN 3 OKEHAMPTON ARGYLE 2

AFTER last week's disappointing cup exit Sidmouth had four new signings in the squad that faced bottom of the league Okehampton Argyle on Saturday.

Sidmouth started really well, and opened the scoring in the 15th minute when a well worked corner routine was rifled home by debutant Dan Evans.

The former Exmouth Town man then notched his second on the half hour mark, after excellent work by Ashley Small.

Okehampton started the second half well and managed to pull a goal back when the number nine squeezed the ball home from a tight angle.

But it didn't take Sidmouth long to restore their two goal cushion, again great work by Small set up Cameron Vere to score his 14th goal of the season in all competitions.

score their second.

But the Sidmouth back four of White, Wellman, Griffiths and Binion held firm and saw out the win.

Vikings: Bowring, Wellman, White, Griffiths, Binion, Small, Davies (C), Swingle, Evans, Burrows & Vere. Used Subs: Baker, Hodgson, Cox.

BEER ALBION 0 HEAVITREE UTD 2

D&E Premier Division
BEER Albion's poor home form continued when they were beaten by Heavitree at a windswept Furzebrake.

With both regular keepers unavailable, full back Shaun Denslow donned the gloves and Beer yet again fielded a makeshift team due to the unavailability of key players and the loss of Seth Wakely who has returned to Seaton.

No criticism can be made of the Beer players on the day as they put up a spirited performance but the side lacks a cutting edge.

In the first half Heavitree had the wind at their backs but for all their possession they regularly over-hit the final ball.

Denslow was tested early on tipping a 25 yard effort over the bar and then on 21 minutes the Fishermen had probably their best chance of the day, Ollie Morgan heading a Charlie Clode corner just wide of the near post.

Heavitree went in front on 36 minutes. A low free kick was parried by Denslow only for the visitors' Joe Hawes to fire in the rebound.

The Fishermen, boosted by the elements, started well in the second half and, following a neat move involving Callum Gribble and Pedro Fontes, skipper Sam Phillips shot narrowly wide.

In an attempt to strive for an equaliser, Player-manager Richard Walker who had started at centre back moved himself up front with 20 minutes to go.

But the visitors sealed the win in the 72nd minute with an opportunistic goal from Elliott Wells who took advantage of a defensive mix-up.

Pedro Fontes was voted MoM by match sponsor Dave Abbott of Colebrooke Guest House, Beer.

MILLWEY RISE 7 WOODBURY RES 3

Division Six
WOODBURY opened the scoring with a goal that highlighted some frailties in Millwey's re-arranged defence in the absence of the Lewis brothers and Shane Featherstone.

Nathan Wormesley equalised with a 25 yard screamer, before Tyler Warren's pet Rise ahead.

Woodbury equalised at 2-2 but this was only the trigger Levi Hoole needed to score a very quick hat-rick to celebrate the recent birth of his daughter. For his final goal he soared high above the defenders to meet a corner and increase his goal tally to 35 for the season.

Millwey were in total control from the start of the second half and Warren soon increased their lead, but then complacency crept in which allowed Woodbury to reduce the arrears.

Warren then completed his hat-trick to complete the scoring. Warren vied with Michael

Knight and Wormseley for MoM.

AXMINSTER TOWN 3RDS MILLWEY RISE RES

Division 9
AFTER A cagey opening 37 minutes Axminster opened the scoring with a perfectly timed header from a corner by Andrew Gage.

But Matt Beechey levelled with a great strike and Ax were reduced to 10 men when Elliott Bastin was shown a straight red card on the hour mark.

This put the Tigers on the back foot however, Danny Beer appeared to netted the winner in the 89th minute.

But there was still time for Wayne Jenkins to bag Millwey's second equaliser deep into injury time.

D&E round-up

with Collin Goodwin
AFTER the disappointment at losing their unbeaten record last week NEWTOWN made amends by ending the last unbeaten record in Premier winning 3-1 at TOPSHAM TOWN.

It was an emphatic win by Newtown who bossed the game throughout after going behind to an Alex Gibbins strike. Ralph Gill equalised, Luke Jones gave Newtown the lead before Ben Howard finished the job.

Meanwhile, Marc Simic scored the goal as FENITON won 1-0 against SEATON TOWN.

Two Aiden Barrett goals in the first ten minutes earned EXWICK VILLA a 2-1 win at SIDBURY UNITED.

CHARD TOWN and HATHERLEIGH TOWN drew 1-1 in the other game played – Jamie Barfoot netted for the Robins.

ELMORE stole the show overall with their stunning 4-2 victory at SWPL CREDITON UNITED in the second round of the Throgmorton Devon Premier cup. Kieran Rapo 2, Andy Murphy and Callum Old were the Eagles marksmen, and the win earns a home tie with town rivals TIVERTON TOWN next Saturday.

It also finished 1-1 between Division One leaders EXMOUTH AMATEURS and their closest rivals EXETER UNIVERSITY, as did the match between HEAVITREE RES and COLYTON, the home goal scored by Kenny Smith.

SIDMOUTH TOWN won 1-0 at WELLINGTON with Ferenc Bodor scoring with a 35 yard free kick.

The one game played in Division Two was hugely significant with leaders HENRY'S CRONIES dropping their first points when they were held 1-1 HEMYOCK.

High flying AXMOUTH UNITED were glad of a late equaliser in their Division Three clash against TOPSHAM TOWN. CHAGFORD were too good for NEWTON POPPLEFORD winning 8-2.

FLUXTON had the Division Four eye-opener beating second from top BAMPPTON 3-2. Rhys Parsons had both Bampton goals.

The top three in Division Five show little sign of slowing down. Leaders MILLWEY RISE saw off WOODBURY 7-3 (see match report), second places WHIPTON & PINHOE clocked up double figures at EXWICK VILLAGE, and WINCHESTER won their derby game at the ROYAL OAK 4-1.

TIVY PARK RANGERS 2-1 win at LANGDON saw them back as

joint Division Seven leaders, rivals LYME REGIS RESERVES remain third after Joe Bond (4), Mark Batey, mark Bailey and Sam Bevis scored in a 7-2 win at nearby SEATON TOWN RESERVES whose goals came courtesy of an OG and Jake Ros-tram

Ruthless Panthers

Axminster Leisure Leagues

PINKPANTHERS were at their best in this week's games in the Axminster six-a-side football league.

The moved up to third spot after an astonishing 15-0 crushing of Ramos Army as Lorcen Harkin was at his best.

There is quite a gap to the top of the pile, though. Rapid Viagra's 2-1 loss to Lokomotiv Sneaky Russians means Lads On Tour moved four points clear as Jacob Rowe inspired them to a fine 10-1 win of their own, against The Tools.

That loss leaves The Tools at the bottom, but Two Goals One Klopp moved away from the basement by beating Tugaz Team 2-0.

There were nowhere near as many goals in Division One but Villarreal saw off Jurassic Coast Athletic 5-0 with Tom Quinn MoM.

Unbeaten Tekkerslovakia squeaked home against Offenders by the only goal. Alistair Scott took the plaudits as Stop The Bus beat bottom side Carehomes Southwest 2-0.

In the other game Millway Maddos and Uplyme & Sinker swapped places after a single goal victory from the former as Cameron Carter proved the difference.

Local golfers battle against high winds

HONITON with Liz Rogers
LADIES SECTION
THIS week the ladies were playing with just four clubs and a putter in a Stableford competition in teams of three, best two scores to count.

The winners were Chris Pearce, Cathy Uttley & Linda McLaughlin with 67 points. Hot on their heels were Janet Hughes, Cherry Liell & Brenda Hyde scoring 66 points. These were very commendable scores considering the very windy conditions.

SENIORS SECTION

FOR the second week running Division Two players made the best scores.

Rob Sexton won the Stableford competition and the Captain's Prize with 41 points in less than ideal conditions.

Mike Delaney was runner-up with 37, beating David Lavender on count-back. John Pawley and Phil Wall took the other prizes.

Division One was won by Eric Short on count back from Mike Ward. Vice-Captain Alan Pollock narrowly beat Chris Street, both on 36 points, and Mike Stroud took the last prize.

THE Mens section played their third round of the Winter League competition.

In 1st place with 33pts (on back 9) was Mark Ward and in 2nd place was Stuart Dixon also 33pts. Third place went to Dave Steele (31) and in 4th with (30) was Matt Hall.

Alan Kenworthy, Ian Buraston and, Paul Curtin (2) all recorded 2s.

The Ladies section played the first of their six-game Winter League competition on a Match Play format.

The winners were Helen Kenworthy, Caroline Bond, Margaret Kenchington, Jo

Domnall and Anne Jarvis. Pat Ashford and Barbara Cummings halved their game.

The trophies presented at the Ladies Section Presentation Evening were as follows: Golfer of the Year - Margaret Kenchington and Scratch Cup - Helen Kenworthy.

The Seniors section played their November Medal competition with the honours as follows: 1st with a score of 67 was Peter Hornsby (H18), 2nd was Tony Strong (H6) with a 70 and 3rd on countback was Chris Walker (H14) with a 73, 4th place was taken by Nigel Garwood, also with a 73.

CRICKET ST THOMAS

TWENTY pairs of Seniors recently took part in the first round of the Winter League competition.

The cold and damp conditions restricted the scoring and no team managed to score 40 points.

In the event, three teams tied on 38 points, with the team led by new Vice Captain, Roger Stone taking the spoils with the better back nine.

Result: 1st Roger Stone & John McOmish 38pts, 2nd Robin Flower & Martyn Leigh (38), 3rd Bob Hollingworth & Rod Young (38).

A rain affected day on Wednesday restricted the field to 30 players who took part in a two out of three Bowmaker tournament.

The conditions affected most teams but did not deter the trio led by Mike King who managed a commendable 71 points to finish five points ahead of the field.

Result: 1st Mike King, Martyn Putland & John McOmish 71pts, 2nd Norman Markby, Mike Hone & Geoff Dean (66), 3rd Robin Flower, Nick George &

Stuart Pope (65).

Meanwhile, 15 pairs took to the course last Friday in a Canadian Greensome competition.

The draw favoured the low handicappers and it was no surprise when favourites Maurice Arnold & Danny Dowell returned a score of three under par 67 to win by a margin of more than three shots over second favourites, Norman Markby & Bob White.

Result 1st Maurice Arnold & Danny Dowell 67.00, 2nd Norman Markby & Bob White (70.75), 3rd Bob Dennett & Robin Flower (71.75).

THIRTY two Seniors took part in the 4Ball Better Ball "Medalford" competition recently.

The par score in this format is 34, so when Alan Davis' foursome returned a score of 36 the benchmark was set.

Six of the other teams failed to match this score, but with an outstanding score of a mere 27, with the medal pair scoring 4 under par 66 and the stableford pair scoring 39 points, Robin Flower's team took the title by nine

shots. This was helped by a hole in one by Mike Burt on the par 3 16th.

Result: 1st Robin Flower; Danny Dowell; Mike Burt & Bill Hilson 27. 2nd Alan Davis, Frank Martin, Norman Markby & Bryan Frost 36.

A three-man Texas scramble was enjoyed by 36 members on Wednesday. Very little separated the 12 teams as they struggled in the windy conditions.

Only 1.17 shots divided the first three places with the spoils going to Nick Hill's trio.

Result: 1st Nick Hill, Norman Markby & Mike Hone 63.50. 2nd Roger Stone; Richard Forster & Tony Johnson 64.34. 3rd Martin Bargery; Tom Downey & Andy Beale 64.67.

The poor weather once again made conditions difficult for the 30 Seniors playing in the three-man combined stableford team event on Friday.

In the event, it was a tight finish, with only two points separating the first three teams. Early starters had the better of the weather, and Mike King's team set the pace having

◆ **WINNERS:** Axe Cliff Ladies Golfer of the Year Margaret Kenchington (left) and Scratch Cup winner Helen Kenworthy.

returned a score of 91 points.

This was not to be matched by the late starters, the best of which was Bob Barrow's trio with one off the target, followed by Bob White's side one behind them.

Result: 1st Mike King, Martin Putland & Dave Walgrove 91.

2nd Bob Barrow, John Wandless & Keith Branch-flower 90.

3rd Bob White; Alan Chance & Mike Burt 89.

AXMINSTER with David Harris

The Club enjoyed considerable success in the recent early rounds of the **National Knock Out** Competitions.

Joan Quick, Phil White & Ann Clayton started by beating the Moonfleet (Weymouth) trio very comfortably.

Next up James Windsor did very well in his first National match to beat Oliver Kemp (Yeovil) in the Under 18 Competition - Steven Apsey had a walkover in the first round of the same competition before losing to Barry Patterson (Yeovil) who is a renowned international player.

Apsey was also narrowly knocked out of the National Under-25 by Brandon King (Moonfleet), losing on the last wood of the match when holding three shots.

In the Over-60 Devon League the men lost narrowly 73-81 against ISCA despite the great efforts of Roger Legg, Chris Elmore, Peter Eagles & Paul Moffitt (30-14).

The Ladies also lost narrowly 62-72 in their County Lanes League game against HONITON with success for the home rink of Jo Barnish, Brenda Edwards & Margaret Crompton (26-14) and the away rink of Phil White, Margaret Brown & Ann Clayton (20-10).

In the friendly games the Ladies lost 22-33 at BUDLEIGH SALTERTON with Joan Quick, Phil White & Ann Clayton managing a 13-13 tie.

In the only mixed friendly played we beat SEVERALLS 64-43 at home with wins for Malcolm Denslow, Margaret Brown, David Harris & Margaret Crompton (28-12) and Morrison Brown, Gerald Knott, Ann Clayton & Derek Pheby (23-9).

First for Field

EIGHT Ilminster AA members had to contend with very strong winds which threatened to blow them off the bank in round four of the Royal Oak league, at the River Isle on Sunday!

Despite the horrendous conditions excellent weights were still recorded.

Graham Field drew the same peg he was second off last week and went one better this time around with a lovely net of roach, chublets and gudgeon weighing 14lb 5oz on the short pole and caster from peg 128.

In second place was Jamie Rich with 12lb 3oz of mainly roach from peg 129 on the pole and caster and Justin Charles was third with 8lb 8oz of roach from peg H3 at Hambridge.

After four matches, and dropping the worst result, Graham Field tops the league with three points followed by Robin Cox and Jamie Rich on six. There is a match next Sunday, the draw is at the Royal Oak between 8.30 and 9am.

Skipper seals victory

BY GLYN HUGHES

NORTH PETHERTON 10 CHARD 15
South West Division One

THIS was a very close contest between two sides at the wrong end of the table and Chard came out on top thanks to a converted try late in the game which kept them ten points clear of the relegation places.

Chard elected to play up the slope and against the elements in the opening half and were pinned back deep in their own half for long periods.

They kept the ball as well as they could, but kicking and handling was a nightmare and it seemed inevitable that mistakes would occur.

Petherton took the lead on 15 minutes when Mike Stevens ran into the corner for a try which fullback Harry Roberts converted.

Chard were a bit fortunate to stop the hosts from adding to their tally but on the half hour Matt Tinley, who had tackled really well out on the right wing, intercepted a pass and hared off towards the home try line.

Tinley was stopped just short but the support was good and Mark Parsons crashed over for an unconverted try.

This spurred Chard on and they were unlucky not to get a second try when a tremendous drive towards the line appeared to end up with another score but the referee penalised Chard for some dubious play and Pethy escaped to lead 7-5 at half-time.

Having held out in the first half Chard supporters were sure that their side would now go on and win comfortably, but it was not to be.

The hosts denied Chard a lot of clean ball but they did go in front when Dowse kicked a penalty goal.

Both sides had tries disallowed for forward passes as Chard looked to hang on to their one point advantage.

With less than ten minutes to go Chard were under real pressure close to their

line and fly half Olly James dropped a goal to put Petherton back in to the lead.

Chard responded well and managed to pin Petherton back in to their '22'.

After several strong drives they at last got their reward when skipper Paul Mortensen crashed over close to the posts. Dowse converted to give Chard a very narrow win.

Next Saturday Chard are at home to WESTON-SUPER-MARE (2.15pm ko)

CHARD 2ND XV 0 OLD SULIANS 1ST XV 45
Somerset Division One

CHARD found themselves trailing 19-0 in very quick time to promotion favourites Old Sulians and it was really a backs to the wall defensive job throughout for the 2nd xv youngsters.

They kept at it throughout but the quality and pace of the visitors was reflected in the final score line.

Next Saturday the 2nd xv are away at NORTH PETHERTON.

CHARD COLTS 27 WELLS COLTS 0
Somerset League

UNBEATEN Chard had another comfortable win at Crewkerne road.

They were on top from the start with two early tries from Liam Mustchin and Ollie Harris. Dan Newman added both conversions and a penalty goal to give Chard a comfortable 17-0 advantage at half time.

The second half was a more even affair but Chard finished things off with the try of the game.

They ran the ball from deep in their own half and some lovely handling ended with Clyde Moore crossing for a third try which sealed a really good performance from the whole team with Joe Mainwaring, Callum Young and Ryan Wingate all worth a mention.

Next Saturday the Colts are away at NAILSEA.

Honiton out in force

HONITON Running Club had a great turn out at last Sunday's BICTON BLISTER a 10-mile race on Woodbury Common with the base at Bicton College organised by Exmouth Harriers.

The race offers something for everyone including a road section at the start and finish with the rest being sandy, stony and muddy paths around the Common. It was a bit blustery but otherwise weather conditions were pretty good.

The race was won by Barihui Hadera who finished just under the hour in 59 minutes 48 seconds.

Karl Hodson was first back for Honiton coming 52nd in 1 hour 14 minutes.

Richard Harvey managed to keep Karl within his sights for the first three miles before Karl vanished into the distance. Richard came 95th in 1:20.

Not too far behind, but slower than last year, was Steve Davey who finished 115th in 1:22. Mark Dallyn had a great, run hot on the heels of Steve finishing five places and 45 seconds later.

Howard Bidmead was happy

with his race coming 140th in 1:25. First Honiton lady was Judy Davey who finished 166th in 1:26.

Brent Dicks found this race harder than Castle Drogo two weeks earlier finishing 181st in 1:28.

Frances McMahon is still suffering with her hand problem so did well to finish 205th in 1:30. Paula Ferris enjoyed the run finishing 296th in 1:39 and Nicola Greenland completed the line-up to come just 8 places and one minute later. There were 413 finishers.

Also on offer was the Bicton Lite which is a 4½ mile version of the main run.

This was won by Toby Garrick in 30 minutes 18 seconds. First back for Honiton was Tony Peek who has been suffering with a cold so he did well to come 31st in 44:29.

Tony's wife Dawn was next back coming 75th in 54:43 and having thoroughly enjoyed the race. Katie Sherjan was next back in 90th place in 58:25. There were 102 finishers.

Happy ending for Adam

SEATON under 10s continued their recent good form, as they drew 1-1 with Lyme Regis before beating Colyton 3-1.

Against Lyme they turned in arguably their best performance of the season. Aaron Hale rattled the crossbar with a fizzing drive, but against the run of play it was Lyme who took the lead as a speculative shot was turned into his own net by Adam Clinch.

Seaton got the equaliser through Leo Gribble but could not force the winner their play deserved.

Next up was a local derby against Colyton. Leo Gribble put Seaton 1-0 up before Adam Clinch again scored at the wrong end, when a clearance hit him as he ran back to cover.

Spurred on by the injustice Clinch was rewarded when he fired an unstoppable shot into the top corner.

Harvey Green repeated the trick with a sweet strike and Seaton ran out comfortable winners.

Man of the Morning was Adam Clinch; he went through every emotion during the games, but his effort never dropped below 100 percent and he finally got the goal - at the right end - that he deserved.

AXMINSTER TOWN V SIDMOUTH WARRIORS & RAIDERS U8s

IN game one Axminster played Sidmouth Warriors, it was a very evenly matched game.

In the second half Finn Jenkins made a great run through and pass for Matthew Reed to score making it 1-0.

Unfortunately the Tigers con-

ceded a late own goal for 1-1 draw.

The Tigers battled hard in game two against Sidmouth Raiders before going down 1-0.

Special mention to Alex Dixon, on his first start, had some nice touches.

AXMINSTER TOWN V BRIDPORT U7

The first against game finished 0-0. The second saw Bridport running out 2-1 winners, Axminster's goal coming from Alfie Bird.

AXMINSTER TOWN V**ALPHINGTON & HEAVITREE U9**

THE first game saw Tigers beat Alphington 2-0 with goals from Joseph Morgan and his twin brother Benjamin.

The second game against Heavitree saw goals from Jack Pullman (3), debutant Corey Pritchard (2), Dylan Burroughs and Billy Fowler and an own goal clinch a 7-0 win.
